

# We noticed you have a fruit tree !

The Vancouver  
Fruit Tree Project  
Building a Growing Community

The **Vancouver Fruit Tree Project Society** is dedicated to harvesting and sharing neighbourhood fruit.

Volunteers harvest extra fruit from backyard fruit trees and redistribute it to community groups. In the past 12 years we have picked more than 35, 000 pounds of fruit and redistributed it to community centres, neighbourhood houses, daycares and other community groups.

**Would you like to participate?** Fruit tree owners keep part of the harvest. Donations are gratefully accepted.
